

OFFICE OF THE RA MARSHAL
ROYAL AMBASSADORS OF NIGERIA

IT'S TIME FOR DIVINE LIFTING.

(RA Week Message 2021 to all Churches)

Greetings to you in the most precious name of Jesus Christ, our Lord and Savior. May His peace and mercies be with you all now and even forevermore.

I welcome you to the 2021 RA week of activities and Promotion Sunday themed DIVINE LIFTING (Esther 6:10-11, 8:2). It is my prayer that God will reveal Himself to His church anew even as we reflect on the theme divine lifting. The celebration this year is unique as we are observing 100 years of RAN (1920-2020) which covid 19 prevented us from celebrating last year.

Therefore, I need you to trust God for a turnaround in all situations and challenges, you need to trust in God for a breakthrough in all difficulties and believe that every plan of the evil ones shall be thwarted in the mighty name of Jesus. Remember, where there is a casting down, there is a lifting. God delivered Mordecai and divinely lifted him contrary to the plan of the evil Hamman. That same God is alive and He will sure do yours. Your shame shall turn to fame. Let me thank you all for your support these past years and I urge you to continue your culture of support and loyalty to the new leadership that will take over from us. All church pastors, MMU leaders, RA Counselors, Patrons Forum, boys and young men of the Order of Royal Ambassadors are appreciated. I must thank the RA Council, MMU NEC and the Convention leadership for being there always.

I wish you a wonderful celebration of divine lifting as I look forward to seeing you all at the all-important three-in-one historic celebration holding between September 7-11, 2021 at Ibadan. God bless you and may the gates of hell prevail not against the church. kindly invest on your boys as they are the sure future of the church. God bless His church and may the gates of hell prevail not against the church. Happy Celebration.
