CHAPTER DESCRIPTION

Abstract: Not more than 200 words given a general description of the entire project

Chapter 1: A brief introduction of the topic under consideration is laid, motivation for the consideration of the topic, expected contribution to knowledge (spiritual growth, academic or societal impact), the study environment/targeted audience and definition of terms

(Between 8 -10 pages)

Chapter 2: A review of existing work on the subject matter is made by citing relevant articles, journals, books etc

(between 10 – 12 pages)

Chapter 3: The method of carrying out the research is discussed (interviews, questionnaire, case studies etc). The finding is then presented in a tabular, pictorial, statistical etc terms and its results discussed.

(between 12 – 15 pages)

Chapter 4: The research finding is summarized and a logical conclusion is drawn. Necessary recommendations can thus be made

(between 3 -5 pages)
